### **Wakes Film Night in the Burton Institute, featuring the quirky comedy 'Skeletons'.**

'Skeletons' is a black comedy that was filmed in several Peak District locations, including Bonsall and Matlock. It won the award for the Best New British Film at the Edinburgh International Film Festival last year and its director, Nick Whitfield, was shortlisted this year for a BAFTA award.

The film – classified '15' – tells the story of two men who specialise in exposing the skeletons in people's closets. It has been described as 'a real breath of fresh air - both odd and very funny' and 'a work of genuine originality and inspiration'.

We promise you a night at the cinema as it used to be, with usherettes, a cinema organ, ice cream and popcorn. You'll also be able to enjoy drinks from the licensed bar.

ENTRY IS FREE!! But you are invited to make a donation of, say, £3 per person to cover the costs of projection (by members of the Darley Dale Film Society).

It should be a good night – certainly something different. Make sure you're there to experience it.

8pm

**Winster Night - Winster's Annual Talent Show**, presented by Dave Robinson, Iain Simpson and Dan Holmes. If you can do a turn please contact Dave (650395). Last year we had a good number of acts, but we are always looking for more. Why not give it a go? It's fun to let your hair down, and where else would you get such a friendly audience cheering you on? When the supply of volunteers runs dry, Winster Night will cease to be. So, please, don't be shy. Do your bit! There will be a barbecue run by Carl and Janice Ashin and a licensed bar. Please do not bring your own drink. We may be short of chairs, so bring your own if you can. Tickets £3 adults, £1.50 teenage children. Suitable for adults and teenage children only. Since so many people are both performers and members of the audience, we ask all performers and organisers to make a contribution at the door.
